

Great Tey Parish Council

Minutes of the
Parish Council Meeting
held at Great Tey
Village Hall dated 21st July 2026
at 7.30pm

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

Minutes

Present: Cllrs T. Frances (Chair), R. Frost (Vice-Chair), C. Hill and Y. Marriott.

Also Present: County Cllr S. Naylor, L. Ritchie-Fagg (Parish Clerk & Responsible Financial Officer) and six members of the public.

The meeting was opened at 7.30pm by the Chair, Cllr T. Frances.

Chairman's Welcome and Meeting Notice: The Chair welcomed all attendees and reminded those present that discussions should be conducted respectfully, through the Chair, and in accordance with the Council's Standing Orders. Members of the public were reminded that the Public Participation item is the designated opportunity for public speaking unless otherwise invited by the Chair. The Chair advised that, to assist with the preparation of accurate minutes, the meeting would be audio recorded by the Parish Clerk.

Cllr T. Frances congratulated everyone involved in organising the Great Tey Village Fair held on Saturday 13th June, noting that it had been a great success. The weather had been favourable, and it was clear that a wonderful day had been enjoyed by the community.

1. Apologies for Absence: Apologies were received from Cllrs R. Bartleet and A. Warnes.

2. Declarations of Interest: No declarations of interest were received.

3. Co-option of a Parish Councillor: The Council received applications from three eligible residents to fill the current casual vacancy on the Parish Council. Each applicant was invited to address the Council before Members considered the applications. Following consideration, it was resolved to co-opt N. Goodman to Great Tey Parish Council.

- The Chairman welcomed Cllr N. Goodman to the Council and thanked all applicants for their interest in serving the community.
 - Recognising the high standard of all applications received, and the valuable skills, knowledge and experience offered by the remaining applicants, it was resolved to establish a Parish Council Advisory Working Group to support the work of the Council.
 - The purpose of the Advisory Working Group is to consider matters referred to it by the Council and provide advice, information and recommendations for consideration by Full Council.
 - The Council agreed to appoint the two remaining applicants as Advisory Members of the Working Group. It was noted that the Working Group will operate solely in an advisory capacity and will have no delegated decision-making powers, no authority to incur expenditure, and no authority to act on behalf of the Council.
 - Advisory Members shall not be members of Great Tey Parish Council, shall not hold voting rights in relation to Council business, and shall not represent themselves as authorised to act or speak on behalf of the Council unless expressly authorised by resolution of Full Council.
 - It was further agreed that, where necessary to support the work of the Advisory Working Group, Advisory Members may be provided with a Council-managed email account and access to relevant Council information, subject to appropriate controls and compliance with the Council's IT, Data Protection and Confidentiality requirements.
 - The Council noted that draft Advisory Working Group Terms of Reference will be prepared and presented to Full Council for consideration and formal adoption at a future meeting.
 - The Chairman thanked all applicants for their interest in supporting the community and welcomed the continued involvement of the Advisory Members in assisting the work of the Council.
- Proposed: Cllr C. Hill, Seconded: Cllr Y. Marriott. Decision: Unanimous.

4. Public Participation:

- A member of the public requested an update regarding the new Mersea Homes development. The Parish Council advised that there was currently no further update available.

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

- Cllr Y. Marriott advised that progress on the existing development had slowed significantly. Cllr R. Frost added that it could be several years before the new development commences.
- Cllr T. Frances advised that, although he was unable to attend the recent Planning Committee meeting, Cllr M. Lambert from Aldham Parish Council had spoken on behalf of seven Parish Councils in objection to the proposals. It was also noted that discussions had taken place with the new City Councillor regarding concerns that the proposals should not form part of Neighbourhood Plans and should not progress until the City Council's Local Plan has been agreed.
- The Parish Council confirmed that it had submitted a 31-page response objecting to the proposed Mersea Homes development.
- The Parish Clerk advised that Regulation 19 of the City Council's Local Plan is expected to proceed to public consultation during Quarter 3 of 2026. It is hoped that the Local Plan will be progressed before a decision is made on the proposed development.
- A resident thanked the Parish Council for its kind comments regarding the Village Community Day and the work of the Community Group.
- The resident advised that further village events are planned and queried whether the insurance held for the Old Playing Field could cover community events held by local groups. Cllr Y. Marriott advised that, as the Community Group operates independently from the Parish Council, the insurers may not allow the Parish Council to accept responsibility for events organised by an external group.
- Cllr T. Frances suggested that the Community Group obtain an insurance quotation and that the Parish Council could consider making a contribution towards the cost. The Parish Clerk will liaise with the insurers to establish whether additional cover could be added to the Parish Council's policy. It was also suggested that the Community Group and Parish Council could work together more closely in the future.
- A resident advised that pothole repairs are due to take place; however, road closures between the A120 and Chappel Road are scheduled from 1 to 9 September. Concern was raised that this may impact bus services and affect children travelling to school.
- The Parish Clerk confirmed that Essex Highways had been contacted to establish whether any alternative arrangements could be made.
- A resident also raised concerns regarding planned Anglian Water road closures in The Street, Great Tey, between September and October, questioning whether the works could be coordinated to reduce disruption.
- Concerns were raised regarding the condition of the Bus Shelter Book Storage, which was described as looking untidy. The matter will be added to a future agenda for consideration.
- A resident asked whether the Parish Council would consider improving the appearance of the village through additional planting, such as planters and hanging baskets. Councillors will provide the Parish Clerk with suggested locations, and the Clerk will investigate the necessary licences and permissions.

5. Report from the County Councillor: There was no County Councillor in attendance.

6. Report from the City Councillor: There was no City Councillor in attendance.

7. Minutes: The minutes of the Parish Council Meeting held on 16th June 2026 were approved and signed by the Chair, Cllr T. Frances, as a true and accurate record. Proposed: Cllr Y. Marriott, Seconded: Cllr C. Hill

8. Action Points: To review outstanding actions and receive updates on actions completed between April and July 2026.

9. Accounts:

- a) The Council reviewed and approved the Bank Reconciliation for June 2026, which was subsequently signed by two authorised non-banking signatories in accordance with the Council's financial procedures. Proposed: Cllr C. Hill, Seconded: Y. Marriott.
- b) The Council reviewed and approved the Payment Schedule for July 2026, which was subsequently authorised and signed by two non-banking signatories in accordance with the Council's financial procedures. Proposed: Cllr C. Hill, Seconded: Y. Marriott.

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

c) Quarter 1 Budget Review: The Council reviewed the 2026/2027 Budget versus Actual Expenditure Report for Quarter 1. The report provided an overview of expenditure against the approved budget for the period and is included within the Appendix at the end of these Minutes.

10. Internal Audit Responses: The Council reviewed the Internal Audit Report and expressed its thanks to the Parish Clerk for the work undertaken in preparing for and completing the audit.

11. Planning:

a) **Applications Received:** To consider planning applications received since publication of the previous agenda, including:

Application No.	Address	Proposal	Comment
261109 23/06/2026	Teybrook Farm, Brook Road, Great Tey, Colchester CO6 1JE	Erection of Dutch Barn - partial open sided to cover muck storage.	Objection.
261290 10/07/2026	(The Laurels), Marshalls Bungalow, Chappel Road, Great Tey, Colchester, CO6 1JR	Temporary stationing of a mobile home for three years in connection with the continuing development of an agricultural holding.	Objection.

b) **Planning Determinations:** To note planning decisions received from the Local Planning Authority.

Application No.	Address	Proposal	Decision
260846 08/05/2026	1 New Cottages, Brook Road, Great Tey, Colchester CO6 1JG	Replacement of 4 windows on property	Approve Conditional

12. Increase Council Member Numbers: The Council considered whether an increase in the number of Parish Councillors would be appropriate and whether a request for a Community Governance Review should be submitted to Colchester City Council.

- Members discussed the significant growth within the parish and the increasing demands placed upon the Parish Council as a result of additional residential development and the anticipated increase in the local population. The Council noted that the current number of Parish Councillor positions does not adequately reflect the growing size, needs and responsibilities of the parish.
- The Council considered that increasing the number of elected Members from seven to nine would provide greater resilience, improve community representation, and enable a wider range of residents to contribute to the governance and future development of the parish.
- Members further noted that the current number of Councillors can present challenges in maintaining effective governance, including difficulties in ensuring sufficient attendance at meetings to meet the required quorum. An increase in Member numbers would provide greater continuity, reduce the risk of meetings being unable to proceed due to insufficient attendance, and support the effective functioning of the Council.
- The Council acknowledged the strong interest from residents wishing to become involved in parish matters and considered that increasing the number of Councillor positions would provide greater opportunity for community representation and participation.
- Following consideration, it was resolved that Great Tey Parish Council formally submit a request to Colchester City Council to undertake a Community Governance Review with a view to increasing the number of Parish Councillor seats from seven to nine.
- The Council requested that the application be submitted as an urgent request due to the ongoing growth of the parish, the increasing workload and responsibilities of the Council, and the need to ensure effective representation and governance arrangements are in place.

Proposed: Cllr Y. Marriott, Seconded: Cllr C. Hill, Decision: Unanimous.

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

13. Litter Pick: The Community Litter pick date has been amended to 5th September at 10am to 12pm, and to be followed with refreshments for Volunteers at the Village Hall. The Parish Clerk will obtain Colchester City Council bin bags to aid in the collection and organise a collection of waste and it will be advertised in the Round & About and on Social Media.

14. RoSPA Playground Inspection: The Parish Clerk advised that some of the findings from the RoSPA Inspection have been completed and they will be continued to work on throughout the Summer with completion by end of August 2026.

15. Playground Inspection Training: The Parish Clerk has made enquiries with the Essex Association of Local Councils to ask when the next Course is scheduled for the Playground Inspection as the Maintenance Contractor has agreed to complete the Course and enter into a 3-year contract with the Parish Council once, the course has been completed.

16. Grounds Maintenance Contract:

a) The Parish Clerk advised the Maintenance Contractor Ivan Dyer of Guildhall Services has signed their Contract which is valid until 31st March 2027. The Maintenance Contractor advised many items had been withdrawn from the Contract and will share a historical contract with the Parish Clerk advising which items they would like to continue with and which, they would like removed. The Contract as it currently stands has been signed and will be reviewed for tender for 3 years from 1st April 2027. The tender document will be shared with Contractors in February 2027.

b) The Council are not required to consider a temporary grounds maintenance contractor for 2026/2027 as the Maintenance Contractor has signed their Contract.

17. Weed Control: Weed Control for the remainder of the current financial year will be completed by Ivan Dyer of Guildhall Services. The Council will consider whether weed control should be included within the Grass Maintenance Contract, or whether the work should be continued under the Grounds Maintenance Contract when the Council release a tender in 2027.

18. Parish owned Hedge, Brush, Scrub and Foliage Maintenance: The Council considered introducing a six-monthly maintenance programme, taking account of the bird nesting season, to ensure that Parish Council-owned land is maintained on a rotational basis and that vegetation remains well-managed and tidy. To be added to the Agenda in November 2026.

The Parish Clerk will liaise with J. Coe regarding the hedge maintenance to be undertaken on behalf of the Parish Council in October/November and will request a quote to cut the hedges down the side of the path by the school and to cut the hawthorn hedge around the car park, including removal of all waste.

19. Allotment Composters: Cllrs C. Hill & Y. Marriott advised that the Allotment Tenants advised they would prefer not to have a communal Compost Bin.

20. Allotment Tenancy Agreement: The Parish Clerk presented an updated version of the Allotment Tenancy Agreement, incorporating details of the National Allotment Society Public Liability Membership commencing in October 2026, the introduction of the Allotment Deposit Scheme, and the revised allotment fees effective from October 2027. Proposed: Cllr Y. Marriott, Proposed: Cllr C. Hill. Decision: Unanimously approved.

21. Old Playing Field: Cllr T. Frances and the Parish Clerk met with a resident of The Chase to discuss public access arrangements to the Old Playing Field and a request for a resident-owned vehicle to be parked on the site.

- Following the discussion, the Parish Clerk was instructed to seek advice from the Parish Council's insurers, the Essex Association of Local Councils (EALC), and SLCC Solicitors, Wellers Law, to establish whether permitting a resident-owned vehicle to park on the Old Playing Field would be acceptable and to identify any associated legal, governance, or insurance considerations.
- The resident has been advised that the Parish Council will provide a further update once responses have been received from the external organisations. In the interim, the Parish Council's initial consideration is that, subject to appropriate advice and approval, the resident's van only may potentially be permitted to park near the Church/Parish Council boundary. This would ensure the vehicle is positioned discreetly, does not obstruct access, and maintains sufficient space for emergency services and allotment holders should vehicle access be required. It was also noted that, unless prior permission has been granted for allotment-related access, the Old Playing Field is currently intended to be accessed by foot only.

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

- The resident has been provided with this interim information and will be advised of the Parish Council's final decision once all external advice has been received, reviewed, and considered.
- The Council further agreed that, should permission be granted for the vehicle to be parked on the Old Playing Field, a formal written agreement should be prepared by a solicitor to document the arrangement, responsibilities, and any conditions associated with the permission.
- The Council also reviewed the condition of the Old Playing Field infrastructure and noted that the allotment gate, Old Playing Field gate, fencing, and pedestrian gate require replacement. The Parish Clerk will obtain quotations for the required works.
- It was also noted that the boundary between the Church land and the Old Playing Field requires clearer identification. The Parish Clerk will obtain quotations for suitable boundary solutions/materials to improve visibility, enhance public safety, and assist the Council in reducing potential risks associated with Council-owned open space.

22. Old Playing Field Access Properties on Brook Road:

- Cllr T. Frances and the Parish Clerk advised the Council that residents of properties on Brook Road which back onto the Old Playing Field are to be reminded that there is no automatic right or expectation for access to the field, except in exceptional circumstances where prior permission has been granted.
- Residents will also be reminded that the disposal of rubble, grass cuttings, or any other waste onto the Old Playing Field is not permitted and constitutes fly-tipping. The knee-height boundary fencing between the properties and the Old Playing Field will be reinstated. Residents will be advised that this fencing must not be removed, damaged, or interfered with. Should any section of the fencing outside an individual property be broken or damaged, the resident responsible for that section will be liable for the cost of its repair or replacement.
- It was noted that Brook Road previously had a gravel access point onto the Old Playing Field, which provided allotment tenants with vehicular access to the allotment site. The Parish Clerk will investigate the relevant deeds, historical access arrangements, and any associated rights to establish the status of the former gravel access and determine what has happened to this route.

23. Bench Installation: The Council considered the feasibility of purchasing and installing a new bench at the corner of Christmund Way/Greenfield Drive. Following discussion, it was determined that this location was not considered suitable due to the existing tree, which may result in the bench becoming subject to increased maintenance requirements from bird droppings and general debris. The proposal was therefore not progressed.

24. Tree Survey: The Council determined to the instruction of a Tree Survey on Parish Council land. Quotes to be shared at the September 2026 Meeting. Proposed: Cllr Y. Marriott, Seconded: Cllr C. Hill.

25. Reports from Amenities Representatives:

- Litter: The next Litter Pick has been scheduled for 5th September 2026.
- Trees: No comments were received.
- Internal Controls: No comments were received.
- Playground: No additional comments were raised.
- Allotments: No additional comments were raised.
- Footpaths: No comments were received.

26. Clerk's Report: The Clerk provided an update report covering recent correspondence, completed actions, and matters requiring future consideration. The following items were noted:

- Unity Trust Account Transition: An update was provided regarding the transition of the Council's banking arrangements.
- Internal Audit: The completed Internal Audit documentation has been submitted to the External Auditor - PKF Littlejohn as part of the Annual Governance and Accountability Return (AGAR) process.
- Footpath Adjacent to Earls Colne Road & Chappel Road: The Footpath has been reinstated.
- Footpath Opposite the Village Hall: The Footpath has been reported to Essex Highways.
- Essex Way: The Clerk confirmed that liaison had taken place with the organiser and advised that, as a courtesy, permission should be sought from the Parish Council prior to using Parish Council-owned land for marquees or other temporary structures.
- A quote had been requested from the Grass Cutting Contractor to ascertain whether they hold the certification for Weed Control and have requested a one-off cost and also for it to be added to the Grass Cutting Contractor.

Great Tey Parish Council

Minutes of the Parish Council meeting held at Great Tey Village Hall on Tuesday 21st July 2026 at 7.30pm

- Barclays Bank continue to investigate payments made between October 2025 and February 2026 which, were processed and authorised.
- Essex Highways have been emailed to ask if additional 30mph signage could be added throughout the Village.

27. Councillors' Reports: To receive updates from Councillors and consider any matters raised for inclusion on future agendas.

- Cllr C. Hill requested an update regarding the proposed tree works at Harold Fairs Recreation Ground, near to 13 Lower Langley, and asked when the works were expected to be completed. The Parish Clerk confirmed that an email had been sent to Richard Fordhams following receipt and approval of the quotation. The Clerk confirmed that an update would be shared with the resident once further information had been received.
- The new Councillor has asked when the EALC Councillor Training will be held, the Clerk will make further enquiries and advise the Council of the dates.
- Cllr T. Frances requested the Clerk to create new email addresses for the new Councillor and also the two Advisory Members of the Parish Council Working Group.

28. Date of Next Meeting: The next Parish Council Meeting will be held on Tuesday, 15th September 2026.

The Meeting was Closed at 9.34pm by Cllr T. Frances.

Lynsey Ritchie-Fagg: Parish Clerk & RFO
2nd August 2026

Appendix:

Action Log:

Minute No.	Action / Task	Responsible Person	Target Date
3	Prepare draft Terms of Reference for the Parish Council Advisory Working Group and present to Full Council for consideration and adoption.	Parish Clerk	Future Full Council Meeting
